What documentation do I need to file a claim in ACAP? You will need an Appointment Order for every claim you submit to ACAP. The Appointment Order must be signed by the judge, include the Client/Defendant Name, have a Case/Docket Number(s) and have your name appointing you to the case. If your appointment order is missing any of this information your ACAP claim will be returned to you.

Why can't I find my judge in the drop-down list? If you do not find your judge's name in the drop-down list, you can submit your claim without a judge's name. Leave the judge's name blank and go to your ACTION BUTTON and select SUBMIT FOR JUDICIAL REVIEW. ACAP will ask you to click OK and then a comment box will appear please put the judge name in the box. This will stop the 180-day calendar from ticking and someone at the AOC will fix the judge's name and send it for payment processing.

How do I put in an offense/TCA? You must type a key word into the offense box. After you type a key word, a drop-down list will appear. Please select the TCA.
